

HOW THE FOUNDATION STARTED:

THE BRETT DOWNEY SAFETY FOUNDATION WAS FORMED IN THE LOVING MEMORY OF 11 YEAR OLD BRETT DOWNEY. BRETT LOST HIS LIFE ON THE MORNING OF AUGUST 19TH 2004, WHILE PARTICIPATING IN MOTOCROSS, THE SPORT HE LOVED.

The Downey family with heavy hearts wanted to do something to help others in the sport. With that very goal, The Brett Downey Safety Foundation was formed.

The mission of the Brett Downey Safety Foundation is to supplement the motocross community by increasing safety awareness of riders, parents, track owners, and promoters to make the sport of motocross as safe as possible, minimizing injuries and helping to preserve all motocross tracks.
